Skills

🐍 Python

C/C++

G Golang

Education

Study

2017 – now	**Moscow State University**	Overall GPA: 4.94/5.0
	Bachelor student	
	Faculty of Computational Mathematics and Cybernetics	
	Department of Intelligent Information Technologies	

Graduate/Course work
«Research and development of methods
for dynamic user authentication based on the analysis
of working with a computer mouse»
– The task of Novelty Detection
– Unsupervised Learning
– OneClassSVM & CNN-Autoencoder

Additional study

2020	**Stepik**
	Golang Programming
	Python: Basics and Applications
	Workshop on Math and Python
	Fundamentals of Statistics I
	Computer Graphics: Basics
	Web Development: HTML and CSS

Awards

2020	**Universiade «Lomonosov»**	prize-winner
	Applied Mathematics and Computer Science	

Tools & Software

NumPy	Scikit-learn
SciPy	Scikit-Image
Pandas	Jupyter Notebook
Matplotlib	Git Version Control
Plotly	Command Line
Keras	Google Colab
PyTorch	LaTeX

Extra-Curricular Activities

Sport	Swimming
Music	Guitar
